

URNIK šol. l. 2021/22 LETNI SEMESTER / SCHEDULE SUMMER SEMESTER

With the summer semester of 21/22 we are switching to digital platform of schedules available here:
<https://urnik.fa.uni-lj.si/>

On the following pages you can find Slovene / English names in parallel and availability of subject to incoming students.

Predavalnice FA:	Izvajanje predmetov izven FA	Predavanja / vaje / skupine
F - Fabianijeva P - Plečnikova V - Vurnikova G - Galerija L - Laboratorij R - Računalnica S - Plečnikova soba 15 - kab. oz. učil. št. 15	FGG - Fakulteta za gradbeništvo in geodezijo BF - Biotehniška fakulteta PF - Pravna fakulteta UI - Urbanistični inštitut * - predmet se delno izvaja tudi izven predavalnice i - predmet se izvaja glede na izbor študenta	P - predavanje
		V - vaje
		IP - izbirni predmet
		DO - druge oblike študija
		ABCD - skupine v letniku
		ARH - arhitekti
		URB - urbanisti
		I - izredni študij
		Dt - dodatni termin

TIMETABLE school year 2020/21 SUMMER SEMESTER

Lecturing rooms FA:	Outside FA:	lectures / exercises / groups
F – Fabianijeva (old building) P – Plečnikova (new building) V – Vurnikova (new building) G – Galerija (new building) L – Laboratorij (basement, new building) R – ‘computer room’ S - Plečnikova soba (old building, 2 nd floor) 15 – room number	FGG - Fakulteta za gradbeništvo in geodezijo BF - Biotehniška fakulteta PF - Pravna fakulteta FS - Fakulteta za strojništvo UI - Urbanistični inštitut * - subject is partly taught outside the lecturing halls i - subject is prone to students' selection	P - lectures
		V - exercises
		IP – elective course
		DO – other forms of study
		ABCD – groups of students (not relevant for Erasmus!)
		ARH - architects
		URB - urbanists
		I (not relevant for erasmus!)
		Dt - additional time slot

Table 1: Legend

~~Crossed-out subjects~~ are unavailable to Erasmus students

SS – summer semester subject

WS – winter semester subject

WS + SS – 2 semesters long subject

Arhitektura 1. letnik - letni semester / Architecture 1. year – summer semester

Slovene name	English name
Projektiranje 1	Design studio 1 - SS
Arhitekturno oblikovanje 1	Architectural design 1 - WS
Matematika	Mathematics – WS + SS
Opisna Geometrija	Descriptive geometry – WS + SS
Statika	Technical mechanics
Predstavitvene tehnike 1	Representation techniques 1
Predstavitvene tehnike 2	Representation techniques 2 – WS + SS
Materiali in oblike	Material and forms – WS
Digitalne metode in predstavitve	Digital methods and representations – SS

Arhitektura 2. letnik - letni semester / Architecture 2. year – summer semester

Projektiranje 2	Design studio 2 – WS + SS
Arhitekturno oblikovanje 2	Architectural design 2 – WS
Konstruiranje in dimenzioniranje	Structures and dimensioning
Zgodovina in teorija arhitekture 1	History and theory of architecture 1
Teorija gradnje in gradivo	Building technology and materials
Barve v arhitekturi	Use of colours and colour metrics in Architecture - SS
Gradbena fizika	Building physics – SS
**Osnove urbanizma	Introduction to urbanism – SS (Erasmus will take part in the same subject within Urbanism programme – see Urnik-UŠU-1.letnik)
Osnove likovne teorije	Introduction to art theory – SS
Arhitekturna delavnica 1	Architectural workshop 1 – SS (also possible in WS)
Študijska praksa 1	Study practice 1 – students have to find place in a company themselves
Konstrukcije 1	Structures 1 - WS

Arhitektura 3. letnik - letni semester / Architecture 3. year – summer semester

Projektiranje 3	Design studio 3 – WS + SS
Arhitekturno oblikovanje 3	Architectural design 3 – WS
Zgodovina in teorija arhitekture 2	History and theory of architecture 2 – WS
Tehnologija inštalacij	Utility technologies – WS
Gradbena mehanika	Building mechanics
Konstrukcije 2	Structures 2 – WS
Urbanistično oblikovanje	Urban design – SS
Predstavitvene tehnike 3	Presentation techniques 3 – SS
Arhitekturna delavnica 2	Architectural workshop 2 – SS (also possible in WS)

Arhitektura 4. letnik - letni semester / Architecture 4. year – summer semester

Projektiranje 4	Design studio 4 – WS + SS
Arhitekturno oblikovanje 4	Architectural design 4 – WS
Razvoj urbanizma	Development of urbanism – WS
Zgodovina in teorija arhitekture 3	History and theory of architecture 3 – WS
Upravljanje v arhitekturi	Management in architecture – WS
Krajska arhitektura	Landscape architecture – SS
Urbanistično načrtovanje	Urban planning – SS
Prenova arhitekture in konservatorstvo	Architectural renewal and conservation - suggested is elective subject <i>Renewal and adaptation</i> that covers the same topics
Tehnologija fasadnega ovoja	Facade and facade technology – SS
Arhitekturna delavnica	Architectural Workshop 3 – SS (also possible in WS)

Arhitektura 5. letnik - letni semester / Architecture 5. year – summer semester

Projektiranje 5	Design studio 5 – WS (also possible in SS)
Urbana sociologija	Urban sociology
Gradbena in urbanistična zakonodaja	Building and planning legislature – WS
Splošna varnost	General safety - WS
Študijska praksa 2	Study practice 2 – students need to find placement in companies themselves

Elective courses in summer semester:

Arhitektura virtualnega prostora	Architecture of virtual space - SS
Akcijsko planiranje in strateško presojanje	Action Planning and Strategic Assessment - SS
Varstvo sodobne arhitekturne dediščine	Preservation of Contemporary Architectural Heritage - SS
(Participativno načrtovanje prostora) for students of Urbanism	

Erasmus students and Urbanism programmes: the availability of subjects is based on individual consultations with Erasmus coordinator (first) and teachers (afterwards)
