

EUROVEA

Sitting on the banks of the Danube, Eurovea brings a thoroughly modern mix of residential, retail, hotel and office accommodation to the edge of a historic city centre.

With a new public square and a landscaped riverside park, Eurovea and its facilities have added a modern, urban sophistication to Bratislava and have quickly become integral to the life of the city, extending and broadening its appeal.

Presence

Presence

- We've always taken a different approach.
- The difference is in the detail.
- We hope that the work we do in our developments and their surroundings will play a big part in improving the quality of life of the people.
